

## Upper Adams Fish and Game Spring 2020 Newsletter

Hello fellow members,

I hope this letter finds everyone and their families in good health. The hunting seasons are over. I hope everyone had a successful season. Always remember that you do not have to harvest something to have a successful hunt. Enjoy the time in the beautiful outdoors with family and friends. Be thankful that we are still able to get together and the opportunity to harvest some wonderful food.

This is a very busy time for us here at the club. With all the block shoots and deer shoots and meetings. All necessary to keep the club going and be able to keep up with improvements and repairs.

**DUES-** I hope every member remembered to pay your dues. They were due the end of January. If you forgot you may still stop by and pay them at any of the events we are having or mail a check and pick up your card and badge later. (mailing address to follow)

**BLOCK SHOTS-** Our Thursday evening shoots have had good attendance for shooters. Our meat wheel players are a little short. We can always use more wheel and shooters. This is one of our money makers to help keep the bills paid. So, stop out, bring some cash and play the meat wheel or your shotgun and win some meat to feed the family or win some cash.

**RUNNING DEER & ELK SHOTS-** This event has been well attended. Our 1<sup>st</sup> shoot in February was one heck of a good shoot. We had the highest number of shooters that I can remember. Even with some mechanical problems we were finished by 4:15pm so everyone could get home at a good time.

**ANNUAL MEMBERS FEED-** The event will be the last Friday in March with doors opening at 4:00pm. We will eat at 6:00pm. Come enjoy good food and small games of chance. We are working on a club special for the feed. Please plan to attend and bring some extra cash for the small games of chance. Come out and enjoy the friendship. (Remember dues must be paid before this event if you want to attend, NO DUES will be accepted the day of the event!)

**GUN RAFFLE-** The gun raffle will be April 4, 2020. There are 174 tickets for sale. Everyone must have a ticket to get in the door. If you need tickets or can sell some please contact me (number to follow). This is another major fundraiser. The 175 ticket will be raffled off at the drawing and is a guaranteed gun winner if you win that ticket.

**CLAY BIRD SHOOTING-** These will start on May 18 at 5:30pm. Please remember to bring your shotgun and shells. It is a wonderful time to practice.

**TOP GUN TRIATHALON-** This event will be on April 11 at 7:00am. This includes single person and team competition. Handgun, rifle and shotgun event. Come out and enjoy some good old country fun and competition.

**KIDS FISH RODEO-** This is for children 13 and under. Event begins at 12 noon on June 6. The pond then is open for kids only until dark on June 14. Children do not have to be members but must be accompanied by an adult (they must be within 10 feet of the child at all times).

We will have 2 practice Running Deer and Elk Shoot in August (Check the Calendar for dates of events)

Happy 60<sup>th</sup> Anniversary! This year marks the 60<sup>th</sup> year of operations for Upper Adams Fish and Game. We are working on some commemorative things for the club so please keep an eye out for announcements on these items!

We have a Facebook page and other social media. We have people who try and keep it updated as best we can but with work and families sometimes we get a little behind. Please bear with us. The best way to be informed is to attend the meetings on the 3<sup>rd</sup> Wednesday of every month at 7:30pm. Sometime it is necessary to change dates and we do not get it posted on time. I will take full responsibility for that.
