

## Upper Adams Fish & Game

Fall 2020 Newsletter

**Hello fellow members,**

I hope all members and their families are doing fine in these very trying times. It has been a very wacky year from the virus to the weather and protests. The strong will survive. Keep the faith and do what is necessary to survive. Remember we are a nation under God we have rights thanks to our fore fathers. There are many countries that do not have that.

We at the Upper Adams Fish and Game along with everyone have gone through some very tough & trying times. We lost ½ of our block shoots and the members feed which were a financial set back but we have been able to keep the bills paid. The times will get better.

**Clay bird Shoots:** The clay bird shoots have been well attended on Monday evenings. They got to use the lights this year. A big thank you to all that came out and supported the club and had a good time in doing so!

**Fish Rodeo:** We had close to 60 children show up to fish and have fun. Most all caught 3 fish. Plus, the next day the pond opened for members also. I know that the kids had a great time during this event.

**Running Deer Shoots:** With a lot of help we were able to tear out and remodel the deer pit in time for our 2 practice shots in August. We are not quite finished. We still have odds and ends to finish up and the drainage work to do. Thank you to all that were able to help. Check out the calendar of events for upcoming shoots.

**Block Shoots:** Thanks to Roger "Pruitt" Weidner we were able to completely redo the back stop for the block shoot area. From the ground to the equipment he did an excellent job. Cannot forget to also thank Joe Sr for helping to finish this project with the clubs' new tractor with bucket. Block shoots are scheduled please check out the calendar of events.

**Gun Raffle:** We had to postpone from the original date but we were able to reschedule for mid-August. All tickets were sold and we had a good turnout. We set up inside and outside, we had easy ups, tents and canopies with table and chairs to meet social distancing protocols and asked people to wear masks. Everyone present had a good time and fun as well. A big thank you to everyone that bought tickets and came out to have a good time to help support the club. All prizes were claimed for the event.

**Membership Dues:** Your 2021 Dues will start to be accepted at the October 21, 2020 meeting. Remember you must have them paid by the end of the meeting in January 2021. You can stop at one of the functions or meetings to pay & pick up you card/badge or you can send a check to the mailing address (see at bottom of newsletter) BUT YOU MUST PICK UP YOUR CARD/BADGE AT THE CLUB, or have someone pick them up for you, we CANNOT mail them. Dues are \$5 for
