

Upper Adams Fish and Game Newsletter

Hello Members,

I hope that this newsletter finds all members and their families in good health. I must apologize for not getting a letter out sooner. With everything that is going on time just slipped by. It has been a very trying year and a half for everyone, with the virus and everything else going around in the area and the world, makes it hard to get motivated at times. Enough with the bad news, time for some good news! We had a good block shoot season in the winter and our deer shoots were well attended. They both helped keep the bills paid. Let us all hope that things soon get back to normal and not the "new" normal, so we can go on with our lives raising our families and our lives the way it used to be.

Fish Rodeo 2021- Thanks to "Pruitt" and Tammy for their help with the fish rodeo, they helped get donations to put more and larger fish in the pond for the kids. Not only did we give away money envelopes but some other prizes for the kids, and two lucky kids got fish mounted. Congratulations to all the kids and thank you parents for bringing them out. We are planning on another terrific rodeo next year. I do not want to try and name people for fear of missing someone, but to everyone who helped with donations and time THANK YOU VERY MUCH!

Membership Dues- Starting with the October meetings you may pay your 2022 dues. You may pay in person at one of the regular monthly meetings or at one of the functions (Block shoots or running deer shoots). Check our calendar of events for dates and times. Your dues must be paid by the close of the meeting in January 2022.

Block Shoots- We will hold the "Thanksgiving Shoot" on November 18 and the "Christmas Shoot" on December 16. Please plan to attend. Shoots start at 7:00pm. Our regular block shoots will start January 5, 2022 at 7:00pm.

Running Deer & Elk Shoot- See calendar of events for dates and times.

Membership Feed- This event will be on March 25, 2022. Please plan to attend. There will be good food, plenty of good stories to be told and small game of chance. Doors will open at 4:30pm.

A big, very big thank you to Life member Tony Tocco and wife Kim for a "very well appreciated" donation to the club. Also, congratulations to them on the birth of their daughter.

We are also planning to have a raffle ticket for sale with firearms and other prizes, this will be just prizes no meal, so keep in touch, we will let you know when tickets will be available.

Now for the real important stuff. The Hunting Seasons! As you travel about in your search for game, please remember to be careful and be sure of your target and what is behind it. Be sure of your line of sight and wear your orange when necessary so we can see all of you after the season and hear your stories. If you are hunting from a tree stand, please wear a full fall restraint system, so you can return home safely and hunt another day.
