Block Shoots

We have our block shoot schedule with basically no changes. We have a few ideas for the upcoming season that we have discussed at our monthly meeting to try something different. It will be presented to the shooters at our Thanksgiving shoot and Christmas shoot to see if there is any interest in trying them. One would be to have an old style block shoot, strictly factory only, no heavy barrels, No custom stocks, factory only choke which measures .680. Like it was when they first started having block shoots. Please let us know at the club if you have any interest or not, we appreciate the input.

Kids Fish Rodeo

I want to thank everyone who helped to put on another terrific fish rodeo for the kids. The ones that organized the event, to getting sponsorships, prizes and spent a lot of time to make the rodeo a great success.
